Outspoken Communicator Mobile System

Compusult's Outspoken Communicator Mobile System is a high-quality portable Augmentative and Alternative Communication (AAC) solution. It includes the Predictable AAC software pre-installed on an Apple iPad Air/Air 2 or iPad mini 4, as well as optional accessories.

Features

- Benefit from a sophisticated word prediction engine.
- Use your own synthesized voice that learns your vocabulary.
- Use in-app switch access including whole Touch Anywhere access, Auto Scan and User Scan, as well as iOS Switch access.
- Access a range of Nuance voices.
- Access multimedia and social apps: Skype, News Feeds, Social Media and E-mail.
- Back-up to Dropbox.
- Use multiple dictionaries for word prediction in different topic areas.
- Use dyslexia support for people who spell phonetically.
- Choose from multiple keyboard options.
- Use Publish for silent conversations.
- Store phrases in category folders.
- Use the History file to access recently used phrases.
- Multi-task while using Predictable.
- Handwrite your message with the Note Pad option.
- Show your emotions using emoticons with matching sounds.
- Record your own emoticons.

The User Interface has larger spaces between Speak and Clear buttons and more efficient access to phrases stored in Categories, Phrase Bank and History.
