# COMPUSULT

Assistive Technology Solutions  
[www.compusult.at](http://www.compusult.at)

Compusult is the largest provider of AT Solutions in Atlantic Canada. We have over 23 years of experience providing Assistive Technology (AT) products, services and training to enhance learning environments and make workplaces more accessible.

## Communication, Social Skills and Planning Apps in one purchase

Our Autism bundle combines apps with the convenience of mobile devices. It provides the user with portable supports for communication and daily activities in a device that is the basis for a comprehensive toolkit of resources.

## The Autism Spectrum Bundle can include:

- AAC apps
- Text-to-speech apps
- Apps for follow through on multiple step tasks
- Refocusing and calming apps
- Understanding real-life situations and social skills apps
- Documentation kits for chosen apps
- Interactive whiteboard and touchscreen systems

## Recommended AAC Programs

AAC programs range from comprehensive apps with more vocabulary and services, to apps with basic functions.

- Proloquo2Go (comprehensive app with both symbol and text based modes)
- Predictable (comprehensive text based app with typing prediction)
- Assistive Chat (text based app with prediction)
- TouchChat (symbol based app)
- Speak It (text based app)
